Terms and Conditions

Ontario Waterway Cruises Inc. reserves the right to cancel any cruise or to change without prior notice, the cruise route (eg. Rideau, Quinte, Kawartha or any parts thereof), cruise location, boarding location, itinerary, schedule, location of overnight stops, tours, excursions or accommodations and to commence, conclude or continue the cruise by bus at any time for reasons of inclement weather, canal congestion, mechanical failure, order of government authority, labour disputes, acts of God or any circumstances beyond the control of the cruise operator without obligation or liability to the passenger. As stated in our cancellation refund plan (which forms part of these Terms and Conditions), a partial refund of fare in the event of the cruise being cut short will be made for unused full days. All monies paid toward the passage fare will be refunded without interest if the entire cruise is cancelled by Ontario Waterway Cruises Inc. The cancellation refund plan premium is not refundable.

Ontario Waterway Cruises Inc. reserves the right to decline any person as a passenger at any time before or during the cruise should such person's health or presence be determined as detrimental to the interest, comfort and enjoyment of the other cruise passengers or present undue problems for the crew. Such determination is the absolute discretion of Ontario Waterway Cruises Inc. staff or representative and there shall be no refund or partial refunds payable in this circumstance.

While our cancellation refund plan provides cover for certain applicable medical cancellations prior to departure, there is no provision for any refund of fare for a passenger who becomes ill during the cruise and is unable to complete the cruise. In this regard, the purchase of additional third party travel/medical insurance may provide some benefit.

The ship does not staff a doctor or a nurse and is not equipped with a pharmacy. All passengers must bring sufficient medication to last the duration of their cruise. Non-residents should ensure they have adequate health insurance for traveling to Ontario. Passengers with special dietary needs or limited mobility must advise Ontario Waterway Cruises Inc. at the time of booking to determine if the ship's facilities and/or our menu will be able to meet their needs. We do not make any alterations to our SET MENU. The ship is not wheelchair accessible. Please refer to our Accessibility Customer Service Policy at www.ontariowaterwaycruises.com

3. any additional costs incurred such as additional transportation and accommodation costs or any ancillary loss sustained such as flight or train cancellations as a result of a cruise cancellation, cruise route or cruise location change, boarding location change or delays of cruises caused by inclement weather conditions, acts of God, or any other event including mechanical failure, which result in one or more persons being unable to board, continue or complete the cruise through no direct fault of the cruise operator.
4. any delays, misconnections, loss, damage, death or injury to persons or property arising out of the acts, omissions or negligence of any other party which provides accommodation, foodservice, transportation, entertainment or any other service to passengers.

Any hotel or restaurant recommendations, directions or any other transportation arrangements such as calling a taxi or ambulance are made solely for the convenience of the passengers and on the condition that such recommendations are at passengers' own risk and expense. Passengers are advised to confirm all arrangements directly with the provider.

Where a passenger suffers any losses not excluded by the Terms and Conditions herein and the loss does not arise from personal injury or death attributable to negligence on the part of Ontario Waterway Cruises Inc., compensation for any losses shall be limited always to the amount of monies paid by the passenger for the cruise without interest.

Fares will not be reduced for services or portions of the cruise declined by the passenger. The reservation may not be transferred to any other person in the event of the passenger declining to or being unable to complete the entire or any part of the cruise.

Ontario Waterway Cruises Inc. has the right to utilize any photo, video, recorded audio or comments of any passenger for the sole purpose of promoting its cruises by way of any advertising media including printed brochures without any claim from or compensation to any passenger or related persons who may or may not be identified in such materials.
